

EFFECTIVE CORPORATE GOVERNANCE

NATIONALLY RECOGNISED & INTERNATIONALLY ACCREDITED

OVERVIEW

Corporate Governance is about helping to prevent corporate scandals, fraud, and potential civil and criminal liability in the firm or organization. Corporate Governance is also about good business, and what's good for the business. A good corporate governance image enhances your firm's reputation and makes it much more attractive to its investors, suppliers and customers. This programme gives you an overview of the regulation, frameworks and principles behind good corporate governance policy and practice. The aim is to give you an understanding of core governance debates and issues, practical advice on compliance and familiarity with accepted best practice.

WHAT YOU WILL ACHIEVE

Upon the completion of this course, you will be able to:

- Have an understanding of corporate governance and its importance in the running of an effective business.
- Have the ability to implement a positive governance architecture.
- Recognise how good corporate governance impacts of the own organisations.
- Identify the dangers of failing to understand the importance of corporate governance in the 21st century.
- Apply business ethics in good corporate governance preventing fraud.
- Identify risks – social, environment, ethical risks. Enhance your ability to operate at more senior levels of organizations.
