DR. ALI RIFAU

**Doctor of Philosophy in
International Management**

“The aim of education should be to teach us rather how to think, than what to think — rather to improve our minds, so as to enable us to think for ourselves, than to load the memory with the thoughts of other men.”

Dr. Ali Rifau is the Chairman of the Board of Directors of Maldives, Ports Limited and have been serving there for over two years. He started his career in Maldives Airports Company Limited as a trainee mechanic in 1992 just after completing his secondary education from Majeedhiyya School, and he is currently the Head of Engineering and Maintenance Department, managing five major engineering related sections under him, namely: Mechanical Services, Electrical & Air-conditioning Services, Construction & Estate Maintenance Services, Water Supply & Sewerage Services and Power Generation, Distribution & Maintenance Services.

Dr. Rifau got his Higher Diploma in Mechanical Engineering – Automotive Technology from Islamic University of Technology and further proceeded with his Master’s Degree, majoring in Mechanical Engineering – Renewable Energy from University of Science Malaysia.

Dr. Rifau further advanced in his higher education and received a Doctor of Philosophy in International Management awarded by the European Global School – Paris and delivered by Bangkok School of Management.

DR. BRUCE ALLEN VELDHIJSEN

Doctor of Philosophy in
Education

“Education is of no value and talent is worthless – unless you have an unwavering aim. Never find yourself without a compass.”

Dr. Bruce Veldhuisen is an entrepreneur and an educational innovator. He is the Founder and Chief Executive Officer of TEFL International and was previously the Course Director of language schools and TESOL courses in Hong Kong and Thailand for eight years before founding the world’s largest teacher training institute and becoming a well-known name in the industry.

Dr. Veldhuisen holds a Bachelor’s of Science in International Relations and Economics from Birgham Young University, a Master’s in Business Administration from Portland State University, and is a certified Trinity College London teacher. He further continued his higher education with Bangkok School of Management, receiving Doctor of Philosophy of Education Degree from the European Global School – Paris.

Dr. Veldhuisen is committed to growth and helping others, but maintains a down-to-earth approach that keeps him personally involved with TI’s programs and customers. He is the Director of International Programmes of Thongsook College in Thailand.
