Master of Arts (MA) in Education Programme

ALUMNI

EUROPEAN
GLOBAL SCHOOL - PARIS®

Awarding Body

European Global School is established as a private higher institution to promote programs internationally. The French higher education system is characterized by the coexistence of several types of institution. There are: universities; grands établissements publics (major public institutions); grandes écoles (elite schools); administrative public institutions; private higher education institutions or schools. European Global School falls under the category of private higher education establishment. The degrees obtained from the European Global School are in accordance with the French Code - Decree of January 25th, 1876, Articles L. 731-2, L. 731-3 and L. 731-4 - since October 01, 2015 under receipt No. E-15-04 to offer higher education awards at Bachelor, Master and Doctorate levels. The UAI (unité administrative immatriculée) is 0755835K. For more information about the university's legal / academic status, along with its degree granting authority, please contact the French Embassy in your respective country, and/or contact the French Ministry of Education, in Paris, France.

Programme

This MA in Education programme is awarded by **European Global School - Paris** and is delivered by BSM aims at preparing highly effective teachers, for the 21st century and beyond.

MA in Education offers you a quality programme designed to build on your prior professional experience. The flexible structure of this programme allows students to work with their advisor to customize their academic plans to fit their unique professional goals.

AMORN SACHDEV

Country: Thailand

Profession: Sales & Team Manager

Company:

CATHARINA HELENA ELIZABETH GRADIDGE

Country: South Africa

Profession: Online English Teacher

Company:

“ BSM's online programme encouraged me to achieve a goal that was previously unobtainable. Through their patient support and encouragement, I was able to complete my degree and it further motivated me to enroll for further studies in psychology.

”

SASHI SAIHGAL

Country: India
Profession: Science Teacher
Company:

CRESCENT
INTERNATIONAL SCHOOL, BANGKOK

“ I want to thank BSM for the amazing opportunities that were presented to me. While attending the course, different speakers would come do presentations all the time, and I feel like each time I was inspired in a different way. Each time a different person came to BSM, I had developed a new outlook on life. Each student is so incredibly lucky to be able to sit and listen to these different speakers, possibly learning something new.
